**WELCOME** to the fourth issue of "Stitch in Time," the newsletter for Spay and Neuter Solutions! We hope to keep you and our many other friends updated on our activities and our progress in addressing the challenge of pet overpopulation in southern Arizona.

### For Those of You Who Don't Know Who We Are...

Spay and Neuter Solutions was founded as a 501(c)(3) nonprofit organization on July 1, 2003, to address the issue of unchecked reproduction among companion animals. Pet overpopulation is an issue of great concern to virtually every animal welfare organization, many of which are overwhelmed by the number of homeless or abused pets in our communities.

The goal of Spay and Neuter Solutions is to help make Arizona a pioneer state that can soon claim "no more homeless animals." We are a member of AWASA (Animal Welfare Alliance of Southern Arizona) and work closely with other animal welfare organizations, each of which has its own mission and goals. The sole focus of Spay and Neuter Solutions is in its name: we concentrate all of our efforts on spay and neuter issues.

We **PROVIDE FINANCIAL ASSISTANCE** to defray the cost of spaying and neutering for individuals in need, and we **EDUCATE** pet owners about the importance of these procedures in preventing the birth of unwanted animals and in improving the quality of life for their pets.

We are all volunteers; we receive no personal financial compensation. All donations are used either to promote the organization's activities or for program services. Please visit our website at [www.spayandneutersolutions.org](http://www.spayandneutersolutions.org) to learn more about our mission.

## Happy Holidays from Spay and Neuter Solutions!

**H**appy Holidays! In the name of all the animals we helped with your support (the number is up to 1,423!), we wish you happy holidays and a healthy, successful New Year!

# Looking Back at Recent Spay/Neuter Successes

We successfully closed our second fiscal year at the end of June. We helped to spay and neuter 1,423 animals during our two years of existence! We couldn't have done it without your generous support. Your donations keep us going.

Naturally, we are working hard applying for grants and raising money in any way we can to continue this important work.

In **August**, we organized the National Homeless Animals Day again, and, like last year, a large group of people joined us for an emotional Pet Blessing and a beautiful Candlelight Vigil at the Udall Park Amphitheater. The mayor's office issued a proclamation, and Dr. Scott Ruth, owner and surgeon of Animal Birth Control of Tucson, talked about his lifetime commitment to reducing pet overpopulation. His clinics -- now at two locations -- offer the lowest cost

for spaying and neutering companion animals in Tucson.

**September** marked the sad event of hurricanes Katrina and Wilma. Our organization was among the first to offer help to the unaltered animals of the survivors arriving in Tucson.

**November 21** marked our first "TOM & MOM DAY" featuring \$5.00 spay/neuter surgeries for male and female cats of low-income families or caregivers of feral cat colonies. In addition, ABC of Tucson donated free rabies shots.

**December 3-4** is the traditional International Bazaar at the St. Michael's Church, where we spread the word of our existence, share our knowledge with the public, and offer help for people who are financially drained and cannot afford to spay or neuter

their pets. This year, we will sell beautiful wood crafts, pillows, table mats and small jewelry, all decorated with animals, almost all less than \$10, providing the perfect gifts for animal lovers. Please mark your calendar and meet us at St. Michael's & All Angels Episcopal Church, 602 N. Wilmot at 5th Street, next to the library.

In **February**, we are planning a marathon spay and neuter month. This is our largest plan ever, and we hope that you will support this special event. Please ask your employer if they would like to be one of our official sponsors. They will receive great publicity, and, as always, all donations are tax deductible.

Also, please ask your veterinarian whether she/he would like to participate in performing surgeries. And please mention the plan to friends and neighbors.

Together, we can make a difference for animals and people!
