Aren't They Cute?

Last December Leigha Boss, an avid trapper, reached out to SNS. Due to illness, she had been unable to work for some time and was unable to have her four kittens spayed.

SNS quickly issued certificates for the kittens to be spayed at one of our partner veterinarians, the ABC Pet Clinic. Leigha sent her thanks to SNS for “being an angel when we truly needed one. It truly made my day, week and month.”

From Katie

Dear Friends,

We are humbled and amazed by your continued support and generosity during this time of unprecedented need for animals and fellow pet owners. The need has been huge. During our 2021 Testicle Festival, we received 443 more requests for financial assistance than last year. With your help, and with the help of legacy funds such as the **Steve Correll Spay and Neuter Fund**, which was recently replenished by a large donation, we were able to meet these requests.

In January Roberta Wright’s daughters established the **Roberta Wright Medical Fund** in honor of their mother. Roberta was a dear friend, longtime donor, and a tireless advocate for the animals.

The **Pretty Boy McTavish Fund** is now dedicated exclusively for the FREE spaying and neutering of community (feral) cats.

To read more about these Funds and the changes we made to their names, please visit our website spyandneutersolutions.org.

Roberta Wright Medical Fund Provides Life-Saving Treatments

Chilo

Coco

Chilo and Coco were able to receive critically needed medical treatment thanks to the **Roberta Wright Medical Fund** and the generous veterinarians at the Santa Cruz Clinic. Chilo had a perianal hernia repaired. Coco sadly had to have her leg amputated due to a tumor. Both were also altered while under anesthesia. They are doing well and with their owners are forever grateful to Spay and Neuter Solutions.

The Roberta Wright Medical Fund honors Roberta, a tireless animal welfare activist.
